My only question is if the revised language indicates that the NEPA process is complete and misses the context that the ROD that will follow the Final EIS.

Hi Rebecca, Patty and Molly,
I wanted to make sure Dan's minor edits regarding the NEPA process are okay with you (see the redline in the attachment). If they are good with you, I plan to make the same changes to our standard response.

Thanks,

Matt/Cami -- I have attached a version of the letter with a few edits to have the NEPA discussion reflect where things actually are in the process. Please take a look and see if you agree that this captures it -- don't know if Becky or anyone from her shop has reviewed.
